

Comfort Dogs Pax, Phoebe and Barnabas to Visit Messiah Early Childhood Center on Friday, March 4

Comfort Dogs are specially trained golden retrievers who are placed in churches to assist in caring and outreach ministries.

In anticipation of a Comfort Dog being placed at Messiah in spring 2017, dogs and handlers from Fort Worth and northwest Indiana will be in town the weekend of March 4-6.

They will visit the children at the ECC on Friday afternoon and greet parents as they arrive to pick up their children.
