Messiah Pursues Online Opportunities

The 2020 pandemic has accelerated the online opportunities for mission and outreach and churches have boldly gone where many had never gone before—the virtual world.

In response to the need to minister in these troubled times Pastor Tim Engel has launched two new online ventures to reach Messiah members and beyond.

Zoom Bible Study

Thursday evening at 7:00pm Engel leads a survey study of the Book of Revelation through Zoom.

Each hour long study explores the symbolism-rich world of John's prophecy and God's final word to His people.

From the awe-inspiring sight of the glorious Lord Jesus to the eerie four apocalyptic horsemen to the terrifying dragon and his beasts from the earth and the sea, each

week Engel, who has studied this book for over three decades, makes this other-worldly epic easier to understand.

“Revelation is rooted in the Old Testament and in the words of Jesus,” Engel explained. “Seeing the book in the larger biblical context allows us to make sense of the images and symbols it contains.”

To participate in this study, email Engel at messiahpastor@att.net to receive the Zoom link from him.

EXILED!

Springing from the Zoom Bible study comes “**EXILED! An Online Stroll through the Book of Revelation,**” posted on Engel’s Instagram, *tengel63*, and Messiah’s Facebook page, *Messiah Houston*.

These 6-8 minute videos provide a detailed and devotional take on Jesus’ final message to His church on earth.

“This book has spoken to every generation for almost 2000 years,” Engel stated, “and it continues to speak its message of hope and encouragement for us in these uncertain times.”
