# Gabriel's Glad Tidings

Hey friends,

Being a Comfort Dog requires me to be versatile.

Sometimes I am caring for the hurting, like after the Fourth of July flood in Kerr County.

Other times, it means that I am caring for the caregivers.

Whether it's at the 911 Call Center, a local hospital, or a long-term care facility, many times I visit the people who give of their hearts to help others.

Caregivers need love, too, because caregiving is hard work.

My Jesus tells us, ***"Come to me, all you who are weary and burdened, and I will give you rest"*** (Matthew 11:28).

Maybe you care for children. Maybe you care for an older person.

Maybe it's a job or simply a family responsibility.

Whatever it might be, remember that when you get weary in body or spirit you can do what I do.

- 1) Take a nap. (Naps are one of my favorite things!)
- 2) Go to my Jesus and let Him take care of you.

My Jesus is the best caregiver ever.

Isn't that PAWSOME?

Your friend,  
Gabriel
